CLINIQUE LA PRAIRIE INAUGURATES NEW DENTAL CENTRE OF EXCELLENCE

Clarens-Montreux (Switzerland), 30 August 2018 - [Clinique La Prairie](#) (CLP), international leader of longevity and well-being, is pleased to inform you of the launch of its dental centre of excellence.

Taking a holistic approach, this new department, consisting of five dentists and two dental hygienists with expertise in the latest dental care techniques, offers a proficient level of high quality service in each dental specialty.

The dental centre of excellence provides modern dental treatments based on the latest technological advances, specifically: smile analysis and aesthetics, smile rejuvenation, and cosmetology (whitening and ceramic veneers, dental anti-ageing).

Our dentists' objective is to **provide appropriate care for people of all ages using cutting-edge methods and state-of-the-art equipment**. This multidisciplinary team enables us to model the smiles and faces of our patients for overall aesthetic harmony.

Tailor-made care is provided by our specialists who work together to establish the ideal therapeutic, aesthetic and interdisciplinary objectives for our patients.

As highlighted by Arnaud Marche, COO of Clinique La Prairie, "There is more to regaining a healthy and serene smile than just simple dental treatment – it restores confidence and self-esteem. We know that it is a person's smile that makes others look and listen".
