CLINIQUE LA PRAIRIE LAUNCHES THE NEW REVITALISATION PREMIUM PROGRAM

Whole-body beauty, endorsed by science

Clarens-Montreux (Switzerland), 10th July 2018: [Clinique La Prairie](#) (CLP), the well-known International wellness and medical clinic, has upgraded its version of the most renowned and signature program since 1931, the Revitalisation Premium, ideal for rebuilding your energy and preserving your youth.

Dreamily nestled between the snow-capped peaks of the Swiss Alps and Lake Geneva, Clinique La Prairie is a paradise for peace and relaxation. **CLP's Revitalisation Premium revisits their legendary Revitalisation program, making the best even better.**

Enhancing the beneficial effects of its core program Revitalisation; **Revitalisation Premium is the world's most advanced anti-age and longevity treatment to date**, designed by Clinique La Prairie's medical team as an immersive, **whole-body experience based on the most advanced rejuvenating technologies** and their ground-breaking CLP extract. Combining avant-garde medical technology, a wide range of state-of-the-art treatments and exclusive hospitality that caters to your every need, this program has been designed to integrate cell and body regeneration, while addressing each client's specific requirements with tailor-made solutions. The resort's exclusive surroundings and breath-taking scenery ensure you have a rejuvenating experience as you restore your natural balance, heighten your wellbeing and highlight your beauty.

Commenting on the launch of their new program, **Dr. Adrian Heini, Medical Director Deputy at CLP says, "The good quality of life is the most important for enjoying life. The balance between body and spirit can make people live more easily and reflect the inner beauty to the outside."**

Revitalisation Premium aims to strengthen your immune system and, boost your vital functions in every single body area. **Under strict medical supervision, in only six nights this therapy will unfold its true potential and return the power of regeneration to your body.**

You will discover something new about yourself every day, thanks to the specific treatments that focus on each part of your body in turn: immune system, heart, mind and brain, breathing and sleep-wake cycle, stomach and intestines. You will engage with physicians and holistic consultants to address your issues, and begin to enjoy even deeper, more stable rejuvenating effects thanks to the massage sessions, advanced beauty treatments and workouts provided by our **award-winning Spa**; not to mention our new **Centre for Aesthetic Medicine**, equipped with the most innovative "beauty technologies".

In-between meals and treatments, you will be able to enjoy a few short additional breaks to savor fresh, energizing fruit juices. Before you go to bed, you will be served a relaxing infusion in your room: the perfect "nightcap" to end a perfect day.

As you relax in spotless, deluxe surroundings and gaze on the soothing outline of the Swiss Alps and the clear waters of Lake Geneva, you will be transported into a timeless cocoon unlike any other – one enjoyed by royal highnesses, world leaders, movie stars and celebrities.

By choosing Clinique La Prairie's state-of-the-art anti-aging treatments, you will benefit from the best that international medicine has to offer and reap long-lasting rewards. You will have discovered an enchanting, unique location; and above all, have recovered your youthful self:

CLINIQUE LA PRAIRIE

SWITZERLAND

that light in your eyes, that smooth, radiant skin.

Revitalisation Premium works its magic, gentle yet intense, and permeates every aspect of a person so that balance, harmony and wellbeing are at your fingertips. You will feel centered and happy and realize why Clinique La Prairie has been the world leader in the art and science of longevity for over 85 years.

A PROPOS DE LA CLINIQUE LA PRAIRIE

Founded in 1931 by Professor Niehans, a pioneer in longevity, Clinique La Prairie has over the years established an international reputation as a world-renowned medical clinic and wellness destination, located in Switzerland, a country highly reputable for its high level of medical expertise and care. Thanks to ongoing scientific research, Clinique La Prairie is regarded as a leading light in preventative medicine due to its unique Revitalisation programme, designed to promote vitality, enhance the immune system and slow down the ageing process. Guests stay in one of 35 rooms and suites in the three buildings located on the premises, with stunning views of the Alps. The Residence, Clinique La Prairie's original building is reminiscent of the opulent charm of early 20th century grand hotels. The multi award winning Medical Spa of Clinique La Prairie's an oasis of beauty and wellness. Carefully crafted by the clinic's medical team, the Spa menu features over 50 results oriented treatments for visible results, promising to satisfy the needs of even the most demanding clientele.
